
CLARK SPARKS

A note from Jeannie Hackett (Rolls), Class of '59 Chair

Dear Classmates ,

We will always remember the Clark Jr High Reunion in March 2014. It is hard to put into words, how much fun it was seeing all of our Clark Jr High friends again after all those years! It was certainly a day that none of us will ever forget! We visited, we ate good food, and even danced to the music of the '50s, just like we did at the American Legion on La Crescenta Ave, and the Clark Cafeteria, on Friday nights. What great memories!

It was so much fun planning our last reunion with Annamae, When she had the idea to include all of the classes of the 50s, the reunion grew into what we all experienced in March 2014! It was absolutely incredible how many classmates wanted to be a part of this reunion. We now have 420 names on our roster, and over 300 classmates attended the 2014 reunion! Many of you have contacted me about having another get together, and I agree. Sadly, Annamae has made a decision to step down after organizing 3 successful Clark Reunions. It's a lot of work planning these reunions, so I understand her decision. I do want to get our class together again in 2016, and she has agreed to help me plan it, but wants to remain as a consultant only. There is another all classes reunion being planned for 2015 by Fred Cole and Stan Gould, but I wont be attending this one because Denny and I will be celebrating our 50th wedding anniversary along with eight

other couples on a cruise to Hawaii. Almost all of the couples going with us are Clark classmates that we have remained close friends with all these years, and are also celebrating their 50th wedding anniversaries.

I would love to hear ideas from all of you about our next get together. I have had some suggestions already. They are :

- A 3 day cruise
- The Elks Club again
- A picnic at a local park

Please send me any ideas you might have. This reunion belongs to all of us.

Thank you all for returning my test email to me so quickly. I know I have all the correct emails for you now.

Please let me know if there are any changes in your contact information so I can keep my records current.

We still have lots of time, and with Annamae's help, I think we can have another great time together in 2016!

**PS: Our class
was the largest
class attending
the 2014
Reunion!**
